THE HIDDEN CHALLENGES IN SCHOOL MANAGEMENT

The Reality Before My Teach Connect

Many schools still rely on manual, paper-based systems for managing students, teachers, and administrative tasks. This leads to:

- **Wasted Time:** Teachers spend hours on attendance, grading, and paperwork instead of focusing on teaching.
- **High Costs:** Printing records, admission forms, and report cards can cost schools thousands every year.
- **Communication Gaps:** Parents struggle to stay informed about their child's progress, fees, and school events.
- **Errors & Mismanagement:** Manual fee collection, attendance tracking, and student records often lead to mistakes and financial losses.

But what if there was a smarter way?

THE ULTIMATE ALL-IN-ONE SCHOOL MANAGEMENT SOLUTION

My Teach Connect is a powerful, easy-to-use platform designed to help schools:

✅ **Manage Students & Teachers Effortlessly** (Attendance, Results, Homework, Timetables)

✅ **Streamline Administration** (Fees, Expenses, Library, Transport)

✅ **Enhance Communication** (SMS & Email Alerts to Parents & Staff)

✅ **Digitize Learning** (Live Classes, Study Materials, ID Cards, and Certificates)

✅ **Improve Efficiency & Save Costs** (Automation reduces workload and expenses)

It’s time to upgrade your school and say goodbye to outdated systems!

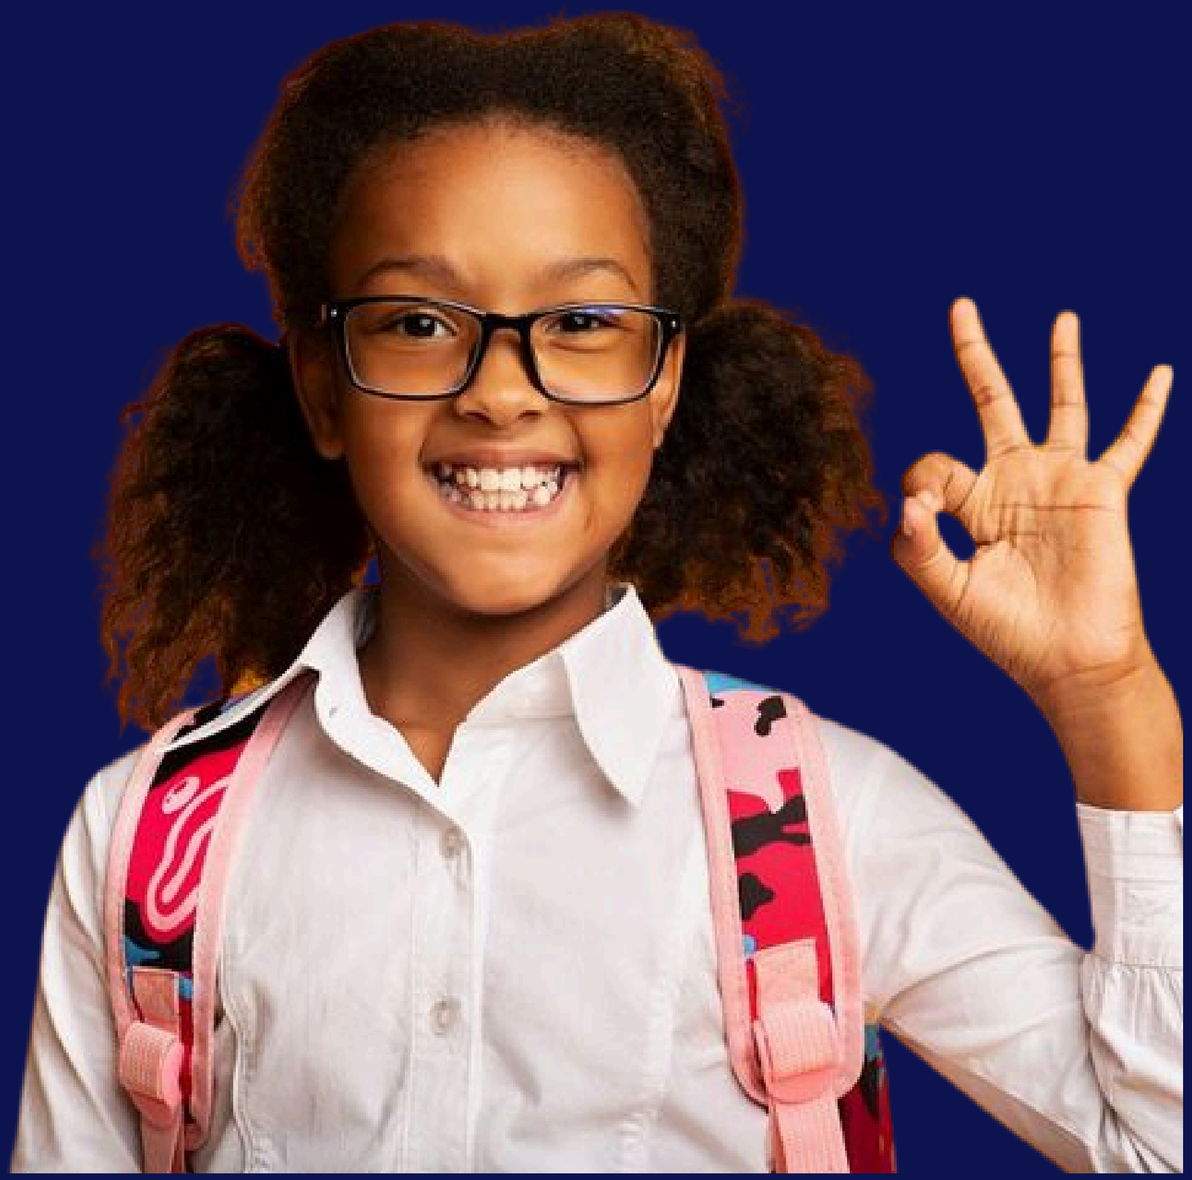
HOW MUCH TIME & MONEY CAN YOUR SCHOOL SAVE?

Example 1: Attendance Management

Let's say your school has 500 students and 20 teachers.

- Manual Attendance takes 10 minutes per class.
- 5 periods per day × 20 teachers = 1,000 minutes wasted daily.
- That's 16 hours per day (Almost 2 full-time staff members working on just attendance).
- Annual Cost Estimate: If 2 staff members earn 200,000Rwf/month, that's 2,400,000Rwf per year wasted just on attendance tracking.

✅ **With My Teach Connect: Attendance is recorded in seconds, saving time and salaries.**



HOW MUCH TIME & MONEY CAN YOUR SCHOOL SAVE?

Example 2: Printing & Paper Costs

A school managing 500 students typically prints:

- Admission forms, fee receipts, report cards, and notices.
- Estimated printing cost per student/year: 10,000Rwf
- Total printing cost: 5,000,000Rwf per year

✅ **With My Teach Connect: Digital records reduce paper usage, saving at least 5,000,000Rwf annually.**
